

CAN YOU HELP US?

Our office is working with the nationwide non-profit organization "Secure the Call Foundation". This foundation distributes free 911 emergency phones to domestic violence shelters, senior centers, neighborhood watch groups, school crossing guards and other agencies with an immediate need for 911 access.

If you have an old cell phone you are not using, please consider donating it to this good cause. Just bring your cell phone with battery (no chargers or accessories please), and we will ship them to Secure the Call Foundation.

Thanks for your help!
